For: Method And Apparatus For Eliminating The Effects of Frequency Offsets

Commissioner of Patents and Trademarks
Washington, D.C. 20231

INFORMATION DISCLOSURE STATEMENT

Applicant submits herewith patents, publications or other information of which Applicant is aware which are believed to be material to the examination of this application and in respect of which there may be a duty to disclose in accordance with 37 CFR 1.56.

The filing of this information disclosure statement shall not be construed as a representation that a search has been made (37 CFR 1.97(g)), nor as an admission that the information cited is, or is considered to be, material to patentability, nor an admission that no other material information exists. The filing of this information disclosure statement shall not be construed as an admission against interest in any manner. Notice of January 9, 1992, 1135 O.G. 13-25, at 25.

The references cited herein were cited in the International Search Report and Written Opinion in Applicant's corresponding international (PCT) application PCT/US00/41164 filed 11 October 2000.

This submission is made prior to the mailing of a first Office Action and therefore no fee is due.

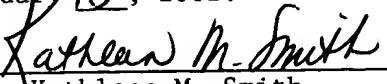

Respectfully submitted
PILLSBURY WINTHROP LLP
